24/7 DAY SERVICES

COMPASSIONATE INTUITIVE

HOME CARE

We will deliver empathy filled,
person centred care in the comfort
of your own home

Our Services

Care needs are very personal, therefore our list is not definitive. As professionals we create well thought out care packages but in the end we always tailor it to your specific needs. We regularly create highly bespoke services from scratch

Live in Care

Single/Weekly Cost - £1499

Couple/Weekly Cost - £1899

Visiting Care

Hourly cost - From £23

Emergency Care

In your greatest moment of need, we will be here. We will create a bespoke service for you, to suit your needs

Complex Care

From Acquired Brain Injury, Spinal code Injury, Catheter Bowel and Stoma Care, Tracheostomy Care and other severe conditions, we will create a care package to suit your needs.

Respite Care

Hourly rate applies for visiting care. For live in care, weekly rate applies. Fully personalised bespoke care available under this service.

Palliative Care

Dignity, clinical care, empathy, spiritual needs oriented care package. Bespoke in every way.

Hospital Discharge Care

Condition led care package to suit your particular circumstance. Post-operation nursing care provided among many others

Live-in care Our most popular package

Its easy to see why. Imagine having your very own **personal** care assistant that lives with you in your very own **home**, providing **bespoke** care built around your **individual** needs

Highly Trained Team

The driving force in our service, specially selected and expertly trained to represent our values and ethics. Our staff are real people who create a dynamic, vibrant team, who will collectively get to know your care needs on a human level and as our valued client.

Highly skilled and empathetic individuals

Regular in- class and practical training
